Frisky Zebras Seductive Shiraz

written by Life Blazer

From: South Africa

Alcohol Volume: 13.5%

Sweetness Level: Extra Dry

Review: Upon taking the first sip, its rich, fruit forward, flavourful and slight sweetness will envelop you. By the end of the first glass, it'll get you feeling warm and cozy. This wine is a treasure to find with its low price and bold taste.

I cook with wine, sometimes I even add it to the food.
